Update on building plans for new YMCA facility at Colby site

8:15-8:30 Neighborhood announcements and discussions on communication options, future topics/speaker ideas  
8:30 Closing

## Happy Spring!

There must be a hundred ways to build community. You can tutor kids at school. Start a

walking club. Hold a potluck. Borrow or loan books and talk about them. Host a block party. Lend a hand and look for opportunities to connect. Participate in Glacier View events like the Clean-up or the National Night Out on August 2! How will **you** build neighborhood connections?
